

Holiday in Estonia: Puhkusel Eestis – part two

You are on your way to the house you have rented on the Estonian island of Hiiumaa. Arriving at the car ferry terminal, you show the address of the house to another ferry passenger and ask in your best Estonian: **Kas teate, kus see maja asub?** Do you know where this house is located?

Map of Hiiumaa and the Hiiumaa ferry

She replies: **Jah, tean küll.** Yes, I do. To help you, she draws a map as she explains:

Kui pääsete praamist välja, sõitke edasi teise ristteeni. Siis pöörate vasakule, ja siis paremale. Minge otse edasi umbes kaks kilomeetrit. Paremat kätt näete metsa. Siis tuleb teine risttee, ja maja asub nurga peal. Siis olete kohal.

Vocabulary

asub is located edasi ahead kaks two kilomeetrit kilometres kohal there, on the spot
kui when maja house metsa a forest minge go nurga peal on the corner näete you'll see olete
you are otse straight paremale to the right paremat kätt on the right praamist from the ferry
pääsete you get pöörate you turn risttee crossroads ristteeni until the crossroads
siis then sõitke drive teine another, second teise second umbes about vasakule to the left
välja off.
